Set within a peaceful forest clearing, this traditional stone croft offers privacy and a true sense of escape, while still capturing the wider Highland landscape beyond.

Jocky Milne's is an ideal place to step away from the pace of everyday life, relax and unwind. Many couples who marry at Aswanley choose to spend the first days of their honeymoon here, appreciating the calm surroundings and space to unwind. Inside, the cottage provides very comfortable accommodation for two, with a beamed living room and wood burning stove, a well equipped kitchen, and one double bedroom with a king size bed and en suite bathroom.

*'An amazing place where you can truly switch off from the world in beautiful surroundings'* TOM

## STRAITINNAN

**Sleeps four - *half a mile / 2 minute drive or short walk to Aswanley***

This traditional stone holiday cottage with a large enclosed garden is situated near the River Deveron, opposite Aswanley. The proximity to the river makes it ideal for fly fishing holidays, especially for people who are trying fly fishing for the first time as some of the easiest pools to fish on are within walking distance of the cottage.

The cottage has two bedrooms upstairs, a double bedroom with en-suite bathroom and a twin room. Downstairs, there is an additional bathroom and another toilet in the utility room next to the back door. The fabulous open-plan kitchen and dining room is next to a spacious sunny conservatory which overlooks the river.

## WESTERPARK

**Sleeps six - *3 miles / 5 minute drive from Aswanley***

This secluded stone cottage is great for friends and families who want to relax in the countryside. Westerpark has a spacious kitchen, a comfortable sitting room with an open fire and all the bedrooms have en-suite bathrooms. The house has an extensive garden with multiple outdoor seating areas which catch the evening sun. Adventurous kids love all the outdoor space, there's a swing over the burn, woods to explore and two large lawns for games. The cottage is just over the hill from Aswanley's wedding venue. It's a popular place for the bridal party to stay. The large kitchen can double up as a temporary make up studio, as well as accommodating additional guests for dinner (the table can seat 10 people). The neutral grey interior walls provide an elegant backdrop for preparation photos and outside the rustic farm building walls give character and warmth.

## CLATTERIN' BRIG

**Sleeps six to eight - *short river walk to Aswanley***

A luxurious cottage set on the River Deveron, surrounded by open meadow and mature trees. The open plan kitchen and dining area are filled with natural light and look out across the meadow towards Aswanley's drive, creating a calm and welcoming space for relaxed mornings or wedding preparations. Upstairs there are two en suite double bedrooms, one with views of the river and the other overlooking the surrounding landscape. The bedroom on the ground floor enjoys views upstream. The house is particularly well suited to hair and make up preparations. A generous entrance hall leads into a comfortable living room with a log burning stove and an elegant staircase rising to an open gallery, a lovely architectural feature that also works beautifully for photographs. Outside, there is a car port, spacious garden grounds and easy access to riverside walks.
