

ASWANLEY

Your home for the day

A Victorian barn in the magical grounds
of a 17th century fortified house.

The Venue

We look after intimate family gatherings
or large wedding parties for indoor and outdoor
ceremonies, reception, dinner and dancing.

Location

Aswanley lies on the banks of the River Deveron
on the edge of the Grampian Highlands in Aberdeenshire.

'Absolutely stunning venue and surroundings.'

JASMINE & MARTIN DONALDSON

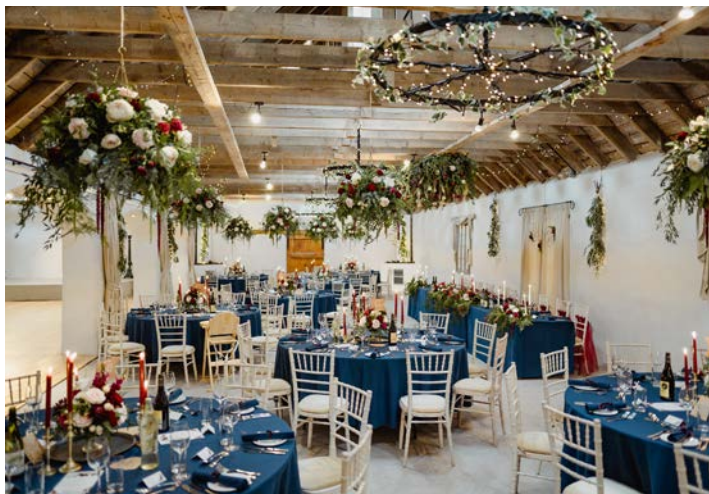

Aswanley is spacious and versatile. Your ceremony can be held indoors or outdoors, to suit the style of your day – next to the fireplace, in the ballroom or outside in front of the barn.

Ceremonies

Dinner

Our dining space is incredibly versatile accommodating both small and large weddings equally well. We can seat from 50 to 250 guests.

... once the formalities are over, the barn is the ultimate place to celebrate.

Aswanley can be personalised with the tiniest of touches.
The barn can be styled as much or as little as you want...

'Thank you so much for providing the most perfect location for our wedding. Aswanley is an absolute hidden gem - a blank canvas that can be turned into anything you want it to be'

Atmosphere & Ambience

The architecture and landscape provide a rich and varied backdrop for your wedding - from the 17th century arch built as a gateway into the courtyard, to the magical gardens full of mature trees. The Victorian barn, once used to house all the workings of a Highland farm, has been beautifully renovated with a natural palette and bespoke oak bar, pine beams and stone fireplace.
